

Geckolighting® 10w LED Downlight

Inbuilt Colour option: Nw or WW

Geckolighting® LED 10w Colour select Downlight Kit.

Finally – A complete LED downlight kit with all the options included. With the built-in option to select between Neutral White (5000K) and Warm White (3000K), and your choice of either a White or Brushed Silver fascia, these high output LED lights make the perfect replacement for existing 90mm-95mm cutout fittings.

Simply select the output colour, plug it in and turn it on.

Comes complete with dedicated inbuilt LED driver and Australian Plug.
