

Geckolighting® LED Downlights

Quality LED downlights, specifically designed for easy install. With cut-out sizes from 42mm to 200mm, they are an ideal replacement downlight for existing commercial and domestic fittings. Economical LED technology not only reduces power consumption, but eliminates UV, Mercury and other toxic hazards as well as heating and cooling loss into ceiling cavities. All downlights include driver & plug. Standard colour options of Cool White (6000k) or Warm White (3000k). Adjustable/selectable CCT models are also available.
