Full 360° beam pattern with high light output (2000lm). Ideal replacement LED globe for the 'Metro' type street light fitting. (Self-ballasted). Standard base is E27 (E40 base shown in picture).

Model Number	90-FE2720 (E27) 90-FE4020 (E40)
LED power:	20w
Input Voltage:	85-265VAC
Frequency Range:	50/60Hz
luminous flux:	2000lm
Base:	E27 or E40
Power Factor(PF):	>0.9
LED source:	108 SMD5050 LED EPISTAR
Luminous efficiency:	100lm/w
Total Harmonic Distortion:	<15%
Operating temperature:	-20°C ~ +40°C
Color Temperature	Cool white: 6,000~6,500k standard. Optional 3000k- to 7000k available
Color Index(CRI)	Ra>75
Light Distribution:	360°
Light Body& Lampshade	Aluminum Alloy and PC
Working Life	30,000 Hrs
IP Rating:	IP30
Dimensions – Diameter x Height	Diameter 75mm x 175mm
Net Weight	385g

'Metro' type street light fitting.
